Montebello Elementary Middle School

We are the Leaders on the Lake

20/20 Vision

Greetings,

Our first month of school has quickly come to an end. Our Educators have completed entry assessments, held grade level meetings and conferenced with Parents via phone calls, email and/or Class Dojo (an app). Why? To meet the VISION of STUDENT ACHIEVEMENT and to make sure we develop innovative leaders equipped for the 21st century.

Each year offers new challenges for Montebello and we continue to strive for excellence in meeting the needs of our scholars. This year we are excited to say our scholars are coming to school. Our **attendance percentage for the month of September was 95.2% and to celebrate this accomplishment we had an Ice Cream Social.**

We need your support to make sure your child comes to school every day and on time, prepared to learn. We realize the importance of home/school connection and we thank you for being receptive to our calls and emails.

Please take a few moments to review our October calendar. Progress Reports will be distributed, Smile Dental Program is scheduled. School-wide Class Picture Day and our Harvest Day celebration is also scheduled this month.

The vision is clear and with the roadmap for the future, we feel confident that this year will be an excellent school year. We have the tools and the abilities to make a real impact in the lives of the scholars and the community.

Let's Go!

Halloween has become a tradition that many children participate in every year. We know that many children take part in the trick-or-treat activities, and we are always concerned about their safety. We are providing you with some tips that can make your child's Halloween safe.

Please read over these tips and discuss them with your child before he/she ventures out for an evening of fun.

- Be certain that your child can see where he/she is going. Face painting is safer than masks. Costumes should not interfere with safe movement.
- Have your child go with a group in the company of an adult.
- Have your child plan to trick-or-treat at houses where you know the residents.
- Obey all safety rules; use sidewalks and walk and don't run.
- Check all treats before allowing your child to eat them. Look for torn wrappers and/or punctured fruits.
- Remember to respect the property of others and remember your manners.

We need volunteers in the classrooms, cafeteria, hallways and just being a watchful eye in the community to make sure our children travel to and from school safely.

If you are interested in donating some of your time to our school, please stop by the main office and fill out an application. A required Finger Printing will be processed by Baltimore City Public School Headquarters.
