## VOLUNTEER YOUR TIME

Volunteers are important to our school. We know it takes a village to raise a child and we welcome the community to partake in this adventure. We need volunteers in the classrooms, cafeteria, hallways and just being a watchful eye in the community to make sure our children travel to and from school safely. If you are interested in donating some of your time to our school, please stop by the main office and fill out an application. Finger printing will be processed by Baltimore City Public School Headquarters.

According to Anagrammer, there are 355 words in the word *Thanksgiv-*
